Dear Valued Customer,

We are proud to present you our 2012 Catalog of TYC lighting products.

TYC Europe B.V. being the European headquarter of TYC Brother Industrial Corp., Taiwan, we are the sales, marketing and distribution center for the world's most comprehensive automotive replacement exterior lamps worldwide. Our lamps are manufactured in world class production facilities and shipped to over 100 countries globally. In TYC Europe, we serve over 27 countries across Europe and Africa continents. Established in 2003, our state-of-the-art 15,000 m² distribution centre in the Netherlands positions us strategically at the center of the market, assuring our customers on-time product deliveries and enabling us to better understand the customer's needs. We are able to ship most orders within twenty-four hours, with a fill-rate exceeding 95%. Through our superior global supply chain, we create and deliver extra values to our valued customers.

In this new 2012 catalogue, we have introduced more than 300 new items in our lighting range. A lot of our new items are with multiple assembly options which enable you to have more flexible options of product assortments. All TYC lamps meet or exceed applicable ECE-regulation. All E-mark certificates can be downloaded from our website. Nevertheless, the new product items and information go beyond this catalogue as they are updated in a timely manner via our New Product Announcement released each month, our TYC Europe website and TecDoc system throughout the year. In addition to the lighting product lines, TYC Europe also carries wide range of other TYC automotive aftermarket product lines such as door mirrors, cooling fans and radiators. In TYC Europe, we consistently strive to provide you with high quality products, flexibility of product options and value added services to you as our ultimate company goal.

With warmest regards,

TYC Europe

LED Head Lamp with DRL

TYC's LED Head lamp with DRL is the very first worldwide LED-powered headlamp for the aftermarket and tuning market. It incorporates an official daytime running lamp (DRL), even though this function is not available on the original headlight. This lamp system offers an incredibly reliable solution for drivers who want the best performance in terms of both road illumination and visibility to on-coming traffic. The LED headlamp is built with low beam and DRL characteristics.

The image features the Lexus logo in a dark blue, sans-serif font at the top right. The background is a gradient from white at the top to yellow at the bottom, overlaid with a large, stylized leaf pattern in a light blue/grey color. A horizontal line with a small downward-pointing arrow is positioned below the logo.
